

## **DUSAGG term report Epiphany 2013**

After a busy first term with lots to do  
Where we mixed old events with things quite new  
A quiet second term was out of any questions  
Since the term planner was already filled with suggestions

In November, MidMad was cold, dark, and wet  
A Ranger group were 2<sup>nd</sup> which we won't forget  
Guide Skills in January was snowy instead  
Later this term Outdoor Event will go ahead

An archery event caused lots of mirth  
As we aimed at balloons, hoping they'd burst  
Other events included ceilidhs and walking  
Often with food and plenty of talking

In the theme of being slightly mad but fun  
The Cotswold Marathon just had to be done  
Four DUSAGGers and Roger the Sheep  
Walked sixty Kilometres then went to sleep

For the first time in several years  
No, we don't joke we are sincere  
DUSAGG have some exciting news  
We are going to rally, just to confuse!

After term ends comes GGC  
Run by ex DUSAGGers who have a degree  
We go along to help and run bases  
As well as getting to know new faces

In conclusion, this term is very good  
If we could do more we would  
Sometimes twenty four hours just isn't enough  
But we always manage to do lots of stuff
