Claire reads Kathryn's hust

Hi everyone, I'm Kathryn and I'd like to be the society's Freshers Fair Coordinator. I've been involved in DUSAGG throughout my time in Durham and was treasurer before Lauren. In that role I had to be organised and deal with the DSU, both being skills needed as Freshers fair coordinator. I have helped at the last 2 freshers fairs so I have a good idea of what makes a successful pitch. I will endeavour to get an outside pitch again as we have the past couple of years as I feel this will attract more people towards us and is just generally more DUSAGGy. I intend to bring back both toasting marshmallows and mole cookies as seen at last year's freshers fair as these were successful (though unfortunately I can't promise to bring back Shandy's dancing!)

I don't really have much else to say admittedly, but I think I have the skills to run a successful freshers fair stall and hopefully entice in more freshers than we have done recently! Otherwise I miss having any sort of responsibility within the society like I did when I was treasurer which I enjoyed. Hopefully as FFC I'll be able to liaise with the exec and get the society to put on a wide range of activities in the first few weeks of term as the more that happens then the more people are likely to turn up and realise how awesome we are!
